Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English. Brand new Book. Ours are the only mounds making up a distinct mound-region on Canadian soil. This comes to us as a part of the large inheritance which we who have migrated to Manitoba receive. E. Loyalist felled a forest tree in Upper Canada. We are especially fortunate in being the possessors also of a field for archaeological study in the portion of the area occupied by the mound builders-the lost race, whose fate has a strange fascination for all who enquire into the condition of Ancient America. The Indian guide points out these mounds to the student of history with a feeling of awe; he says he knows nothing of them; his fathers have told him that the builders of the mounds were of a different race from them-that the...
